

# DOOR SYSTEMS

## VENTURA SYSTEMS INNOVATIVE DOOR SYSTEMS

Ventura Systems is a leading global manufacturer of innovative door systems for buses, trams, and metro. Over the years, our state-of-the-art systems have transformed the design of public transportation enhancing passenger flow and safety. Everyday Ventura's door systems are operating on the vehicles and rolling stock of many prominent multinational manufactures. Our product offering includes **Inward Gliding, Outward Swinging, Plug Sliding and Rapid Sliding** door systems, as well as **wheelchair ramps**.
